This table provides a summary of the financial information for the period from 2018 to 2030. The data is presented in a tabular format, with columns representing the years and rows representing various financial metrics. The total assets, liabilities, and equity are shown to remain constant at 100 units throughout the period. Income, expenses, and net income are all zero, indicating a balanced and stable financial position. Capital gains, dividends, interest, and other income sources are also zero, suggesting no active investment or income-generating activities.
